Blue Heron Meadow

YOUR WEDDING IS A BIG DEAL.

We at Silver Lakes know how important it is that everything be perfect on your special day. We are here to make sure that your wedding is everything you had hoped it would be and more.

The natural beauty of Silver Lakes, nestled along the meandering Holland River, will take your breath away. Mature forests of oak, maple, birch and ash are a stunning backdrop to our quiet lakes and rolling hills.

Get ready in our elegant private Bridal Suite with light bites and champagne on ice. Yours is the only wedding so you can relax and take your time - Silver Lakes is yours for the day. For the groom and groomsmen the Lakes Lounge is the perfect hideaway to calm the nerves and relax with a drink before the ceremony begins. Make the most of those quiet moments and capture memories to last a lifetime.

You can have your ceremony outdoors along the water's edge of Blue Heron Meadow, followed by an outdoor cocktail party with hand-passed hors d'oeuvres at our lakeside Pavilion and summer lounge, the Birch Bar. Create a storybook wedding album by taking advantage of our stunning views on the Meadow or enjoy nibbles and cold drinks on our vintage cocktail trolley while taking photos at our beautifully restored Pump House and adjacent Memory Garden.

Let us toast the happy couple with some bubbly. Our Executive Chef has prepared a fabulous meal for you and your guests. We offer plenty of choice but can further customize the menu to your individual needs. Just ask, we are at your service.

After the first dance you can catch a breath of fresh air on the Terrace and finally take a moment to yourselves while your guests continue to dance the night away. Don't forget to cut the cake! And what wedding would be complete without late night bites to keep the party going.

We at Silver Lakes want to be included in your "before" and "happily ever after." Let us prepare the perfect day for you. Thank you for letting Silver Lakes be forever part of your special day.

Please let us know how we can assist you to create the wedding of your dreams.

The best is yet to come.
